

Opulent

Features: Chromolon Fibre

- Naturally stain resistant. Stains can't penetrate the fibre. Protection against stains will never wash off or wears-off. Unlike chemically stain treated products where the stain resistant properties will diminish over time and with recommended cleanings.
- Stain Shield repels spills and prevents soiling from attaching to the carpet. Therefore allowing for easier clean up
- Dyed under high temperatures and in pressurized conditions resulting in sharper and crisper colours that are locked deep into the fibre.
- Stronger than traditional low-cost fibres and has better abrasion resistance.
- Superior twist and appearance retention due to its advanced molecular structure.
- CRI Plus certified.

Product Attributes:

- Texture Cut Pile
- 100% Chromolon
- Stain Shield
- 1/10" gauge

Specifications:

Fibre:	100% Chromolon
Dye Method:	Piece Dyed
Face Weight:	65oz (before shearing)
Gauge:	1/10"
Pile Height:	49/64"
Backing:	A/B
Size:	12'

Warranty:

- Lifetime Wear
- 10 year Performance
- 10 year Stain
